[Verse]

It's Christmas time, there's no need to be afraid
At Christmas time, we let in light and we banish shade
And in our world of plenty we can spread a smile of joy
Throw your arms around the world at Christmas time

[Verse]

But say a prayer, pray for the other ones
At Christmas time it's hard, but when you're having fun

[Bridge]

There's a world outside your window
And it's a world of dread and fear
Where the only water flowing is
The bitter sting of tears
And the Christmas bells that ring there
Are the clanging chimes of doom
Well tonight, thank God, it's them instead of you

[Chorus]

And there won't be snow in Africa this Christmastime
The greatest gift they'll get this year is life (oh-oh-oh)
Oh, where nothing ever grows
No rain or rivers flow
Do they know it's Christmastime at all?

[Middle 8]

Am
Here's to you
Raise a glass for everyone
Am
Here's to them
Underneath that burning sun

F G5 [C |
