F Am G

[Verse]

```
          F          Am
Lovin' him is like, drivin' a new Maserati
          G
Down a dead end street
F          Am
Faster than the wind, passionate as sin
          G
Ended so suddenly
          F
Loving him is like, tryin' to change your mind
          Am          G
Once you're already flying through the free fall
          F          Am
Like the colors in autumn so bright
          G          N.C.
Just before they lose it all
```

[Chorus]

```
          F          C
Losing him was blue, like I'd never known
          G
Missing him was dark grey, all alone
          F          Am
Forgetting him was like trying to know somebody
          G
You never met
          F
But loving him was red
          Am          G
Re ee ed, re ee ed, re ee ed
          F
Lovin' him was red
          Am          G
Re ee ed, re ee ed, re ee ed
```

[Verse]

```
          F          Am
Touching him was like, realizing all you ever wanted
          G
Was right there in front of you
          F          Am
Memorizing him was as, easy as knowin' all the words
          G
To your old favorite song
          F
Fighting with him was like tryin' to solve a
          Am          G
Crossword and realizing there's no right answer
          F          Am
Regretting him was like wishing you never found out
```

That love could be that strong

[Chorus]

Losing him was blue, like I'd never known
Missing him was dark grey, all alone
Forgetting him was like trying to know somebody
You never met
But loving him was red
Re ee ed, re ee ed, oh red, re ee ed
Burnin' red, re ee ed, re ee ed
Re ee ed,

[Bridge]

Remembering him comes in flashbacks and echos
Tellin' myself it's time now gotta let go
But moving on from him is impossible
When I still see it all in my, head
And burning red
Burning was reeeeed

[Chorus]

Oh losing him was blue, like I'd never known
Missing him was dark grey, all alone
Forgetting him was like tryin' to know somebody
You never met
Cause loving him was red
Yeah, yeah, red
Oh Burning reeeeeeeed

[Outro]

And that's Why he's spinnin' 'round in my head
Comes back to me, burnin' red
Yeah, yeah
His love was like, drivin' a new Maserati
Down a dead end street.
