[Verse 1]

I've been seeing lonely people in crowded rooms
Covering their old heartbreaks with new tattoos
It's all about smoke screens and cigarettes
Looking through low lights at silhouettes
But all I see is lonely people in crowded rooms

[Chorus]

This city's gonna break my heart
This city's gonna love me then leave me alone
This city's got me chasing stars
It's been a couple months since I felt like I'm home
Am I getting closer to knowing where I belong?
This city's gonna break my heart
She's always gonna break your heart, oh

[Interlude]

[Verse 2]

I remember mornings when my head didn't hurt
And I remember nights when art didn't feel like work
She wakes up at noon and she's out 'til three
She leaves her perfume all over me
But I remember mornings when my head didn't hurt

[Chorus]

This city's gonna break my heart
This city's gonna love me then leave me alone

This city's got me chasing stars
It's been a couple months since I felt like I'm home
Am I getting closer to knowing where I belong?
This city's gonna break my heart
She's always gonna break your heart

[Post-Chorus]

ooh-ooh-ooh ooh ooh ooh ohhh
ooh-ooh-ooh ooh ooh ooh ooh-ooh

[Bridge] (one strum per chord)

She got a hold on me
She got me wrapped round her finger
She got a hold on me
She got me wrapped round her finger, oh yeah

[Chorus]

This city's gonna break my heart
This city's gonna love me then leave me alone
This city's got me chasing stars
It's been a couple months since I felt like I'm home
Am I getting closer to knowing where I belong?
This city's gonna break my heart
She's always gonna break your heart

[Post-Chorus]

ooh-ooh-ooh ooh ooh ooh yeah
ooh-ooh-ooh ooh ooh ooh ooohh

[Tag]

This city's gonna break my heart, hey
She's always gonna break your heart
