F C G

[Verse 1]

C G Am F  
You and I were like fireworks and symphonies exploding in the sky.  
C G  
With you I'm alive  
Am F  
like all the missing pieces of my heart, they finally collide  
F G  
So stop time right here in the moonlight  
Am Bb  
cause I don't ever wanna close my eyes

[Chorus]

F C G  
Without you, I feel broke like I'm half of a whole  
F C G  
Without you, I've got no hand to hold  
F C G Am G F  
Without you, I feel torn, like a sail in a storm  
G F C G  
Without you I'm just a sad song  
F C G  
I'm just a sad song

[Verse 2]

C G Am F  
with you I fall it's like I'm leaving all my past and silhouettes upon the wall  
C G  
With you I'm a beautiful mess  
Am F  
it's like we're standing hand in hand with all our fears upon the edge  
F G  
So stop time right here in the moonlight  
Am Bb  
cause I don't ever wanna close my eyes

[Chorus]

F C G  
Without you, I feel broke like I'm half of a whole

You're the perfect melody, the only harmony I wanna hear  
Em F C  
You're my favorite part of me, with you standing next to me I've got nothing

to fear

[Chorus]

F C G  
Without you, I feel broke like I'm half of a whole  
F C G  
Without you, I've got no hand to hold

Without you, I feel torn, like a sail in a storm  
Without you I'm just a sad song

Without you, I feel broke like I'm half of a whole

Without you, I've got no hand to hold

Without you, I feel torn, like a sail in a storm  
Without you I'm just a sad song

I'm just a sad song
