[Verse 3]

F C
Cigarettes and the ash tray
G Am
Reminiscing on those past days
F C
I thought you didn't know my last name
G C
But that changed
F
And I travelled around the world
C
Think where you living at now?
G
I heard you moved to Oxford
Am
Got a new apartment and settled down
F C
And every once in a while

I start texting

G
Write a paragraph
C
But then I delete the message
F Am
Think 'bout you like a past time
G C
I could cry you a river

Get you baptised or

F Am
I wasn't ready to act right
G C
Used to always think I'd get you back, right
F Am
They say that things fall apart
G C
We were gonna move to Brooklyn

You were gonna study Art

F
Love is just a tool

To remind who we are

G
And that we are not alone

And we're walking in the dark

[Chorus]

F C
 I hope someday
G Am
 We'll sit down together
F C
 And laugh with each other
 G C
About these days, these days
F C
 All our troubles
G Am
 We'll lay to rest
 F C
And we'll wish we could come back to
G C
These days, These days
 F C
And we'll wish we could come back to
G C
These days, These days
